

# A P A C T

AND MY PROMISE TO YOU

“Protecting patients against infections is a serious job. Diligence, observation and responsiveness are critical skills in my world. Our hospital offers quality care and it's up to all staff to comply with infection control standards and assure compliance, and that's a promise.”

*Stephanie Koenig, RN  
Christian Hospital  
Infection Control Coordinator*

Christian Hospital provides safe, quality health care to its patients every day. ☺ Dedicated professionals like Stephanie Koenig, RN, oversee the hospital's infection control activities — everything from simple hand hygiene before and after patient care to performing sterile procedures. ☺ Reducing patients' risk for acquiring an infection is an important responsibility for the entire Christian Hospital care team. ☺ Stephanie and her colleagues make patient safety a priority. ☺ They're proud to be part of an organization that is committed to the best possible care for you and your family. ☺
