AND MY PROMISE TO YOU

“ Sometimes people need a little extra help after surgery or an illness. I’m there to assist with activities like bathing so that patients can safely stay where they feel the most comfortable — in their own home. ”

*Carla Frazier
BJC Home Care Services at Alton
Home Health Aide*

Our patients feel right at home with their BJC Home Care Services staff – staff like Carla Frazier, a home health aide who helps patients jump-start their recovery after surgery or an illness. ☺ Carla lends a helping hand to those who may not have regained all of their strength so that they can safely move about their homes. ☺ She helps her patients with activities such as bathing or getting in and out of bed, and remaining independent without worries of falls or injury. ☺
