BJC HealthCare

4901 Forest Park Avenue, Suite 1200

St. Louis MO 63108

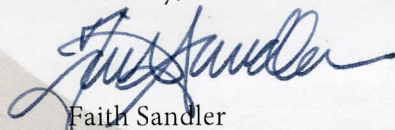

Dear June:

Thank you for the generous gift of \$182,100.00 from BJC HealthCare to The Scholarship Foundation of St. Louis in support of the BJC Scholars Fund. Your gift is "more than a check". You are providing a way for promising students with financial need to create a clear path to achieving their educational and career goals. We know of no better way to celebrate our centennial than this.

The Scholarship Foundation was founded 100 years ago based upon the conviction that an educated society is essential to a healthy democracy. That conviction continues to fuel the work of the Foundation. Thank you for sharing a vision of quality and equitable education for everyone with a desire to learn.

In 2020, we will celebrate the many contributions of Foundation students and graduates who are ready to lead us into a new century. We are most grateful for the commitment of BJC HealthCare to moving our collective cause forward. Together, we are making a powerful impact on the lives of students and the communities in which we live. We hope you will join us at one of our centennial events to launch the next 100 years of building community.

Sincerely,

Faith Sandler

Executive Director

No goods or services were provided in consideration of this contribution and it is fully deductible, to the extent allowed by law.

Thank you so very much for the depth and breadth of this partnership - for all you've helped us learn and all you've made possible for students in need. I am so proud - of US, together, and of THEM, in formation!
