OF ST. LOUIS

Dear Ms. Fowler,

I wanted to make sure you had a chance to see The Scholarship Foundation's summer newsletter. The impact of the BJC Scholars Fund is visible in the many smiling faces on page 2. Also see page 4 for an exciting story about the expanded advising program, thanks in part to BJC HealthCare. Your support is so appreciated! Enclosed are copies of the newsletter for you to share amongst your colleagues.

Sincerely, Jamie Wilger
