CHAIR

With the gracious, vital support of our donors, the Christian Hospital Foundation's mission is to partner with our hospital to provide service, compassionate care and clinical excellence to our community.

The Christian Hospital Foundation creates opportunities for individuals and organizations to provide vital support that directly improves the health and wellness of our community. By working together to provide service, compassionate care and clinical excellence to our neighbors, we are all *Helping Make Care for Life Possible*. We support efforts such as patient care, advancing medicine and technology, community benefit programs and staff education.

In 2015, due to funding the hospital received from the foundation, Christian Hospital unveiled an addition to the Cardiac Catheterization Lab, the Hybrid Room, for minimally invasive surgical procedures including Transcatheter Aortic Valve Replacement. The foundation also launched an ongoing project called the Legacy Prints Artwork Program to enhance the walls of renovated areas with scenic images to provide therapeutic support for patients and guests. Through community benefit programs, the foundation helped more than 11,000 of our neighbors become and stay healthy and Christian Hospital successfully helped approximately 4,000 non-emergent patients access affordable sources of care.

We hope you enjoy reviewing our 2015 annual report with highlights of our accomplishments and recognition of our generous donors.

Thank you for your continued support of our hospital, foundation and community!

Our staff works hard to provide clinical excellence and compassionate care.

The Heart of a Hero program offers an opportunity for patients and their families to make a donation to honor physicians and staff throughout the hospital. Your gift will make an immediate difference in patient care, advancing medicine and technology, community benefit programs and staff education.

Share your story about your healthcare hero at Christian Hospital by calling 314.653.4191 or visiting christianhospital.org/HeartofaHero.

“The staff was very professional and went above and beyond to make sure my stay was pleasant and my discharge expedient.”

“Every single person we encountered today was amazing. When I asked questions, they were kind and answered them, treating me and my wife with respect. I just feel they were outstanding and need to be recognized for it!”

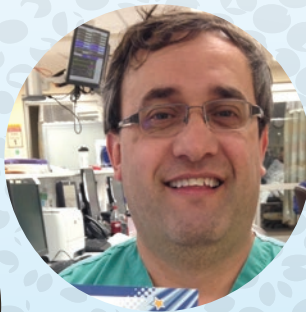

“My nurse was friendly all the time. She said thank you every time it was needed. She always asked if it was something else she could do to make me feel comfortable.”

“Everyone was kind, professional and showed such respect to my mom, sister and me. They kept us informed and were kind and compassionate.”

“Everyone showed concern for my well being. The nurses—great!”

“It was comforting to talk to the doctor and several other staff and specialists. I have made many tough life-altering decisions in my career, but in staying with my wishes, their straightforward assessments truly helped me make what I feel was an informed decision.”

“She was really nice and explained everything to me. I felt like she really cared about me.”

Mission: Accomplished

COMMUNITY SUPPORT FOR
CUTTING EDGE MEDICINE

The Christian Hospital Foundation recently completed our largest fundraising campaign in the hospital's history: *Advanced Technology, Compassionate Care, A Campaign to Fund the Hybrid Room*. This addition to the hospital allows Christian to remain on the cutting edge of medical advancements as it combines the sterile environment of an operating room with a Cardiac Cath Lab. The foundation was proud to support this effort by raising \$1.8 million for this project. This room was completed and put in use by CH physicians in July 2015.

TREE OF *Giving*

Christian Hospital's Cancer Care Center is leading the battle against cancer. Through comprehensive services from detection, diagnosis, intervention and follow-up, patients receive quality care, close to home.

To help continue this quality care and honor those diagnosed with this disease we have established the Tree of Giving, located on the 4th floor at Christian Hospital. A tree represents strength, stability and growth. Therefore, we have chosen to recognize generous gifts of \$100 or more on our Tree of Giving. Join the tradition of caring and ensure the future of excellent cancer care at Christian Hospital.

PAUL F. DETRICK LEGACY LEADERSHIP AWARD

Mr. David Otto

Mr. Otto is the president of Handyman True Value Hardware, where he learned about business from his father, Kenneth Otto, who purchased the store in the mid-60s. The family now operates two locations in Florissant and one in South County. Otto has worked for 30 years at the N. Lindbergh Blvd. store. Dave and his wife, Mary, have three children, Brian, Michelle and Christine. He has been a member of St. Angela Merci Parish for 40 years. He is a graduate of St. Louis University High School and earned a bachelor's degree in architecture from The University of Notre Dame. He was honored as the chamber's 2001 Outstanding Business Person of the Year. Otto has taken a very active role in the community, serving on several boards and committees. He prides himself on managing business, family and community involvement the same way his father did.

COMMUNITY VISION AWARD

Greater North County Chamber of Commerce

Carolyn Marty, President

The Greater North County Chamber of Commerce is a voluntary partnership of over 470 business and professional people working together to build a healthy economy and to improve the quality of life in the North County area. Founded as a nonprofit in 1955, The Chamber celebrates its 60th anniversary this year. They continue to help businesses prosper and grow, increase job opportunities, encourage orderly expansion and development of all segments of the community and contribute to the overall economic stability of the community.

PHYSICIAN OF THE YEAR AWARD

Dr. Mariano Floro

Dr. Floro is a general surgeon with 44+ years of excellent service. He graduated medical school with honors in the Philippines, completed his internship & residency in Chicago, and joined the surgery group at CH in 1970. As Chief of the Surgery Department, he led the St. Louis region's first open heart surgery performed by Dr. Richard Shaw. He is currently in private practice and helps at the Wound Care Center. Dr. Floro is known for innovation and ability to solve complex problems in difficult cases, and for his loyalty and dedication to Christian Hospital, the surgical department, fellow physicians and staff.

YOUR GIFT *Matters*

Join the community of families and individuals who support the patients and caregivers at Christian Hospital. Whether it is for a special occasion, a lost loved one, a special caregiver through our Heart of a Hero Program or a number of other life events, giving to our foundation is a great way to give back to the community.

MAKE YOUR TAX-DEDUCTIBLE GIFT BY CHOOSING ONE OF THE VARIOUS METHODS AND DETERMINING YOUR INTEREST:

Check	Credit Card	Stock Transfer
Bequest	Life-Income Gifts	Planned Gifts
