

Gifts of Remembrance

Making a gift to others is a unique and personal way to mark many of life's special events or occasions. Some gifts outlast the moment, whether it is one of joy or sadness.

A gift of remembrance to Memorial Foundation is a meaningful way to pay tribute to a friend, relative, or acquaintance at death, or to commemorate the joy of birth, graduation, an anniversary, or other special events.

Gifts of remembrance express not only your thoughtfulness, but a concern for life as well. Your gift touches the lives of loved ones by remembering someone who is, or has been, important in your life. Your gift also touches the lives of many other people by helping Memorial Hospital to provide excellence in health care.

The board of directors acknowledges the following gifts of remembrance to Memorial Foundation received from Jan. 1, 2025, through Dec. 31, 2025. Later gifts will be recognized in future issues.
